PREFACE.

The Catalogue of Books in the Library of the Bombay Legislature was last revised in the year 1947. Since then a large number of books and blue books have been added to the Library. From the year 1952 half-yearly lists of new books added to the Library were issued from time to time. However, it has now become necessary to prepare a fresh and up-to-date Catalogue to give an idea of the material in the Library useful to the Members of the Bombay Legislature for their legislative work. It now includes all the publications added to the Library up to the end of March 1955. The system of classification adopted in this edition is the same as that which was followed in the past as it was found by the Library Committee to be convenient and satisfactory.

The "Authors Catalogue" will be printed separately later.

Bombay, 25th June 1955.

S. H. BELAVADI,
Secretary to the Bombay
Legislature Department.
